SEC URE

Safe, simple and secure precious metals investing

The Perth Mint has offered precious metal storage solutions, and a range of gold, silver and platinum bullion coins and bars to investors for over 100 years.

Our unique government guarantee, when complemented with Western Australia's safe geopolitical environment and location, and a commitment to unparalleled client service, makes us one of the world's most preferred traders and suppliers of precious metal investment products.

Trusted implicitly to secure your wealth

Clients of all types – from individuals to sovereign wealth funds – entrust us to securely store and manage their investments. Presently we have more than AUD 3 billion of gold and silver in our care, secured in a network of state-of-the-art vaults, the locations of which are kept in the strictest of confidence.

We offer the only government guaranteed investment and storage program in the world

Government guaranteed

We are wholly owned by the Government of Western Australia, and operate under an explicit government guarantee that covers the obligations of The Perth Mint Depository. Western Australia is one of Australia's wealthiest states, with an abundance of natural resources, and holds the highest possible short term Standard and Poor's credit rating of A1+.

Accredited by the world's leading gold exchanges

We are accredited as a refiner, weight master and assayer with the London Bullion Market Association (LBMA). This reassures investors of the stated weight, purity and integrity of the products we produce. We are also accredited with the New York Commodities Exchange (COMEX), the Shanghai Gold Exchange (SGE), the Tokyo Commodities Exchange (TOCOM), and the Dubai Multi Commodities Centre (DMCC).
